

We are the second generation of a family of surfers that his greatest passion is to teach surfing! Early in the year 1.964 "Meco" (one of the pioneers of surfing in Spain) began its first steps in the surfing world, later his son Mario (Director of the surf school) established the surf school, Spain Surf Holidays, and so far we have not stopped surfing and teaching this wonderful sport. Visiting us students from all over the world, so the atmosphere is very good... surf, beach, meet new people, make friends, cultural exchange...etc.

Our "base camp" is located at Loredo, Ribamontan al Mar in Cantabria, Spain, which has been home to professionals and apprentices of surf for many years.

WE TEACH SURFING IN REDUCED GROUPS BECAUSE WE WANT TO GIVE OUR STUDENTS THE MAXIMUM POSSIBLE QUALITY OF SURFING EDUCATION.

The school's many instructors have plenty of experience in surfing and have teaching qualification recognized by the FES (Spanish Federation of Surf) or FCS (Cantabrian Federation of Surf) and the Lifeguard Association. We will make sure that our students, as well as learning to surf properly, will also get to know everything needed in relation to this fantastic sport.

At the school you will get:

The art of surf and everything you need to know about the sea conditions, the wind, and the tides, etc. You will gain the wisdom of the great masters!!

You will enjoy the process of learning within a relaxing atmosphere with professional teachers.

Health and safety: our courses are run by professionals that will make sure that our students grasp the art of surf in a safe environment.

We must highlight that we are working closely with "Meco" who not only has a good forty five years of experience, but is also a surf legend and one of the pioneers of this sport in Spain.

For these reasons, **Spain Surf Holidays** is one of the most popular schools in the northern Spain. The area of Spain where we are located, Cantabria, is called The Green Spain and has breathtaking surroundings. It has the perfect setting and conditions for a surfing.
